FOREWORD

Two roads diverged in a wood, and I—
I took the one less traveled by
And that has made all the difference.

—Robert Frost

DEDICATION

This Yearbook is dedicated to Mr. Vincent J. Gallucci.

Throughout our senior years Mr. Gallucci has helped us in innumerable ways. He worked extra hours to place us in colleges, and at the same time he found the energy to participate in field trips, to assist with the book fair, and to make his own office the base for this Yearbook.

His patient diligence has endeared him to us, and in appreciation of his endeavors we dedicate the 1967 Ship-builder to him.

PRINCIPAL

History tells us that the majority of our great leaders have been individuals who took the less traveled road! The individual has always had difficulty in choosing the road ahead, and our present social order has made the choice even harder to discern. The choice of the right road, for you, will give you the inner peace and security that will make your life different. Always be alert to the opportunities offered to you on the less traveled road.

MR. ROBERT JACKMAN

SUPERINTENDENT

MR. RICHARD HAMILTON

Education is a mockery if it is not a process of self-revelation and by extension, a revelation of one's fellow man. Failure to appreciate one's own uniqueness as an individual renders respect for those with whom we must live and work impossible.

In an impersonal technocracy and a society oriented toward mass culture, those who wish to live as individuals are being forced to travel a lonesome and increasingly arduous road. Yet, self-discovery and self-fulfillment demand that they do so. It is my fondest hope that the Norwell School System has instilled a burning love for the nobility of the individual and helped to illuminate the way to its achievement.

The library is an important tool for the student.

The English Department, headed by Mr. Robinson, has broadened in both curriculum and extra-curricular activities. The Advanced Placement sections in grades ten through twelve enable proficient students to prepare for more accelerated college courses. The department also includes speech, drama, and journalism. Field trips to cultural events increase our appreciation of the Arts.

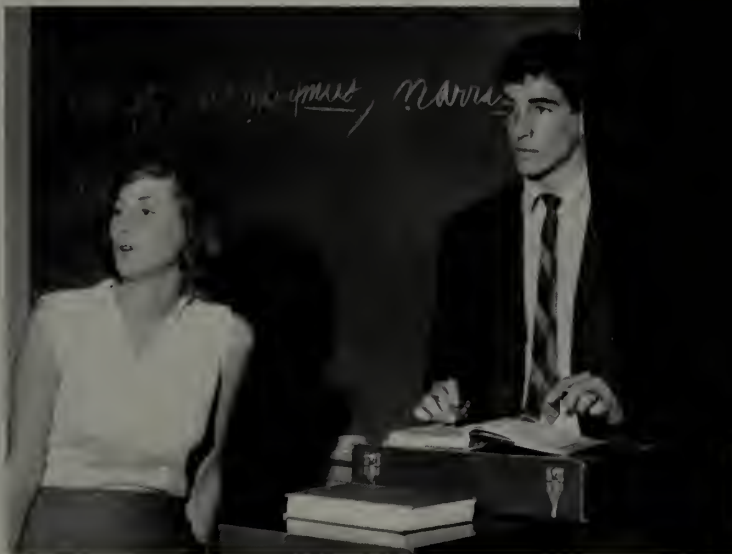

Students make use of the quiet facilities for study.

LANGUAGE

Left to right: Mr. Richard Mandile—French; Miss Juanita—Latin; absent: Miss Mitzi Gerrish—German.

Our language program offers four years of German, two years of French, and three years of Latin. The language lab with its drill tapes makes possible both classroom and individual practice. Each course keeps its students up-to-date with the latest by the use of foreign publications. There are also several Latin clubs.

THE JUNIOR PROM

The queen and her princesses

"The Castle in the Clouds" was the theme of the Junior Prom on May 20. The evening's dancing was done to the music of Rudi Dale's Orchestra. The grand march was one of the most beautiful ever, and the class executed it flawlessly. After an enjoyable evening, the dates left for the Scituate Cabins where they ate a late dinner. The beach party was held the next day at the Sewell's cottage in East Dennis.

The officers and their dates lead the march.

STUDENT GOVERNMENT REPRESENTATIVE

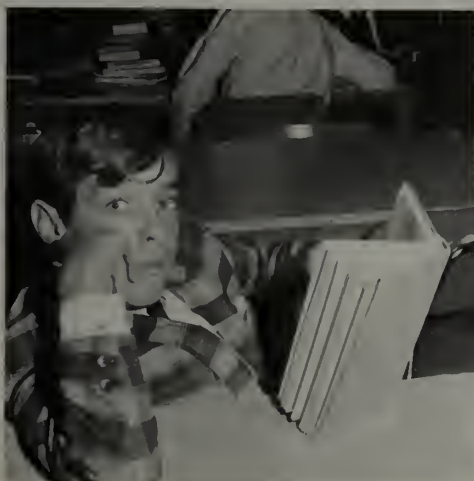

Lincoln Adams

Each year a senior is chosen to be Norwell's Student Representative in Boston. To be eligible for the position, a person must be a senior who holds an elected office. On Student Government Day the students exchange places with the state's law makers and executives. The students then spend a model day in their positions by initiating legislation and passing laws that they deem necessary.

UNDERCLASSMEN

The underclassmen at Norwell will provide both the academic and social basis for future graduating classes. The education these students will get, and the activities they will choose will be up to them. They have made only minor decisions thus far, and the greatest are yet to come in their further years at Norwell. The students will choose the paths of education that suit their interests best and will best prepare them for the future.

Would you believe this is dancing?

Seniors and underclassmen alike enjoyed the freshman initiation. This year's stunts were done mostly in groups because of the large number of freshmen. Everyone looked on in delight as the new freshmen acted, danced and sang the seniors' stunts. There was the "senior pie" to kiss and the "orange-dancing." The freshmen's imitations of bacon and toasters brought a "well-done" from the seniors. A few of the more priceless moments of the freshmen's trials are reflected in these pictures.

SPORTS

In sports, as in academics, we made decisions as to which path to take. There were long, time-consuming thoughts off the field or court, and split-second decisions in games. Such judgments required strategic thoughts or spontaneous reflexes. Though perhaps these fields of sport were unlike in how they were arrived at, they led us to the same ultimate ends: the happiness of victory or the disappointment of defeat.

The Clipper football squad, although faring poorly in the standings, gained valuable experience in interscholastic competition. The team, in its maiden varsity voyage, played inspired ball under the navigation of Coach Gardner and his crew. Despite rough sailing against the league giants and a number of injuries, the Clippers battled back in a solid Thanksgiving Day showing against Hanover. A nucleus of veteran players returning next year will brighten Norwell's football fortunes.

Captain — Joe McGuire

Sandy MacKenzie sets behind good blocking.

ACTION

John Beach finds tough going in the Hanover line.

"Chocks" puts one through!

Dave Marsden shows the form that made him high scorer.

Steve Wilson breaks for open field.

A game of inches.

Dave Bodine breaks through in full stride.

A face guard violation?

Apprehension

Larry bulldogs for some hard yards.

SOCCER TEAM

Front row, left to right: Robert Spears, Stephen Bailow, Del Benzaquin, Paul Gunn, Philip Harlow, Harry Merritt, Fredrick Baker, Calvin Pierce, Albert Cavanagh, Benjamin Fuller, Stephen Hammer. Top row, left to right: John Stilgoe: Manager, Randall Prouty, Joseph Nucci, Steven Fitzgerald, Kimball Pierce, James Burrows, Peter Golemme, Bruce Reekie, Coach Dixon.

Coach Dixon and Co-Captain Phil Harlow talk to the squad.

This year the Clipper Soccer Team was unable to better last year's record of only one win. Despite this, the Clippers played many hard defensive games. The team's defense was one of the best in the league, and the entire squad put its heart into the games, losing a number of one point decisions. The one victory came over Vo-Tech in an exciting all team effort. The season was fittingly climaxed by the naming of Al Cavanagh, Steve Bailow, and Harry Merritt to the South Shore Soccer All Star's second team.

Forward Calvin Pierce dribbles up field.

Co-Captain Harry Merritt clears a scoring effort.

Al Cavanagh heads a pass to the wing.

Forward Del Benzaquin executes a block.

Fred Baker gets past an Avon defender.

The front line starts a drive.

CROSS COUNTRY

Seated, left to right: Robert Schneider, Roger Reekie, John Schneider. Standing, left to right: Coach Marshman, Steven Smith, Frank Carlson, Mark Allen.

Senior Scorers, Ralph Cluff and Linc Adams.

A young cross country team, under the leadership of Mr. Marshman for the first time, had its best season since 1961. The squad finished with an impressive 2 and 6 season. Despite the pouring rain at Hanover, Norwell finished just 1 point out of fourth place in the league, with seniors Linc Adams and Ralph Cluff finishing 3rd and 15th respectively.

Dead heat.

WRESTLING

Kneeling, left to right: Richard Forti, Steven Forti. Standing, left to right: Mr. Kassatly, Donald Yetman, James Fitzgerald, William Peterson, Nicholas Brooks.

Under Mr. Kassatly's direction, the wrestling team undertook a season of increased activity. The boys practiced rigorously and took part in matches. Thanks to this group of "mat mashers", Norwell now has wrestling firmly established in its sports program.

What weight class is this!

"Can we start now?"

For the second time in five years the Clippers qualified for the Tech Tournament. With a nucleus of six seniors, the squad rolled-up an impressive 15 and 3 record. The Clippers were in contention for the Division Championship up until the last game of the season. The close of the season saw the team finish strong to capture a well earned 2nd place in the Western Division behind undefeated Westies.

The Junior Varsity and Freshman squads also planted their feet well in the league standings.

The Class of 1967 is deeply indebted to those who patronized our book and made this printing possible. Without this co-operation we would not have been able to preserve the lasting memories of the most decisive year of our lives. Thank you for your assistance.
